Technology Teacher

This is a full-time position (maternity leave cover), commencing Term 4 2026, with the possibility of becoming permanent due to ongoing departmental growth.

Broughton Anglican College is a Pre Kinder to Year 12 Christian School in the Macarthur region and provides exceptional educational opportunities to more than 1,400 students. Staff enjoy an innovative teaching environment with supportive peers, students, parents and carers.

The successful candidate will work collaboratively with the Technology Faculty, under the supervision of the Head of Technology, to develop and implement programs and maintain the high levels of achievement from our students in the TAS curriculum areas.

Core Requirements:

Applicants for the position of Technology Teacher must demonstrate at a minimum that they:

- are a committed Christian, who is active in the life of a Bible-based Evangelical Church
- support the College's vision of holistic Christian education
- conduct themselves in a manner in keeping with the College ethos and Code of Conduct at all times, modelling Christian maturity to the College community
- have the ability to teach across Stages 4-6 of the NESA Technology Syllabuses to ensure that the College provides quality education to students
- have exceptional communication and relational teaching skills
- have knowledge of relevant compliance requirements in schools
- holds a valid Working with Children Check in NSW (WWCC)
- are an accredited teacher with at least Conditional Teacher accreditation from NESA
- work effectively and collaboratively in a Faculty team.
- this is a specialist role - the successful candidate must have expertise in the area of Textiles.
- the ability to teach another Technology subject area would be highly desirable.

Life Through Christ

Core Responsibilities:

The Technology Teacher should:

- provide effective and innovative teaching practices for teaching TAS, reflecting the Christian ethos of the College, ensuring a high standard of outcomes for all students
- manage curriculum requirements for their classes, including programs, registers, assessment, feedback, and reporting
- manage student issues arising from their classes using the College's positive behaviour framework and implementing relevant College protocols
- implement College protocols and strategies
- provide effective pastoral care to students through leading a regular House Tutor group
- support cocurricular activities of the College.

Details of Employment:

- This is a temporary full-time position (maternity leave cover), with the possibility of becoming permanent due to ongoing departmental growth.
- This position commences Term 4 2026.
- This position is responsible directly to the Head of Technology.
- This position is also responsible to the Deputy Principal Senior School and the Principal.
- The normal teaching load is 47 fifty-minute periods per fortnightly cycle, including Sport, plus House Tutor and other duties. This load may be adjusted according to the needs of the timetable.
- Salary will be determined under the conditions of the Independent Schools (Teachers) Cooperative Multi-Enterprise Agreement 2025 after training and experience has been considered.
- The Technology Teacher position is subject to a Professional Performance Review annually, including twice yearly observations by the Head of Technology.
